

# Basic tutorial for FURTHRmind

# Construct Project

# Construct Project

A project is composed of groups and is the place to store all kinds of data generated during the project.

# Create Project

FURTHRmind

Projects / Topics

daniel.menne@furthr-research.com

Dashboard Comparison Convergege Inspector

Groups / Samples

Search:

Groups  Samples

Experiments

Diagrams

Comment:

Raw data

Add new field:

Enter the main screen

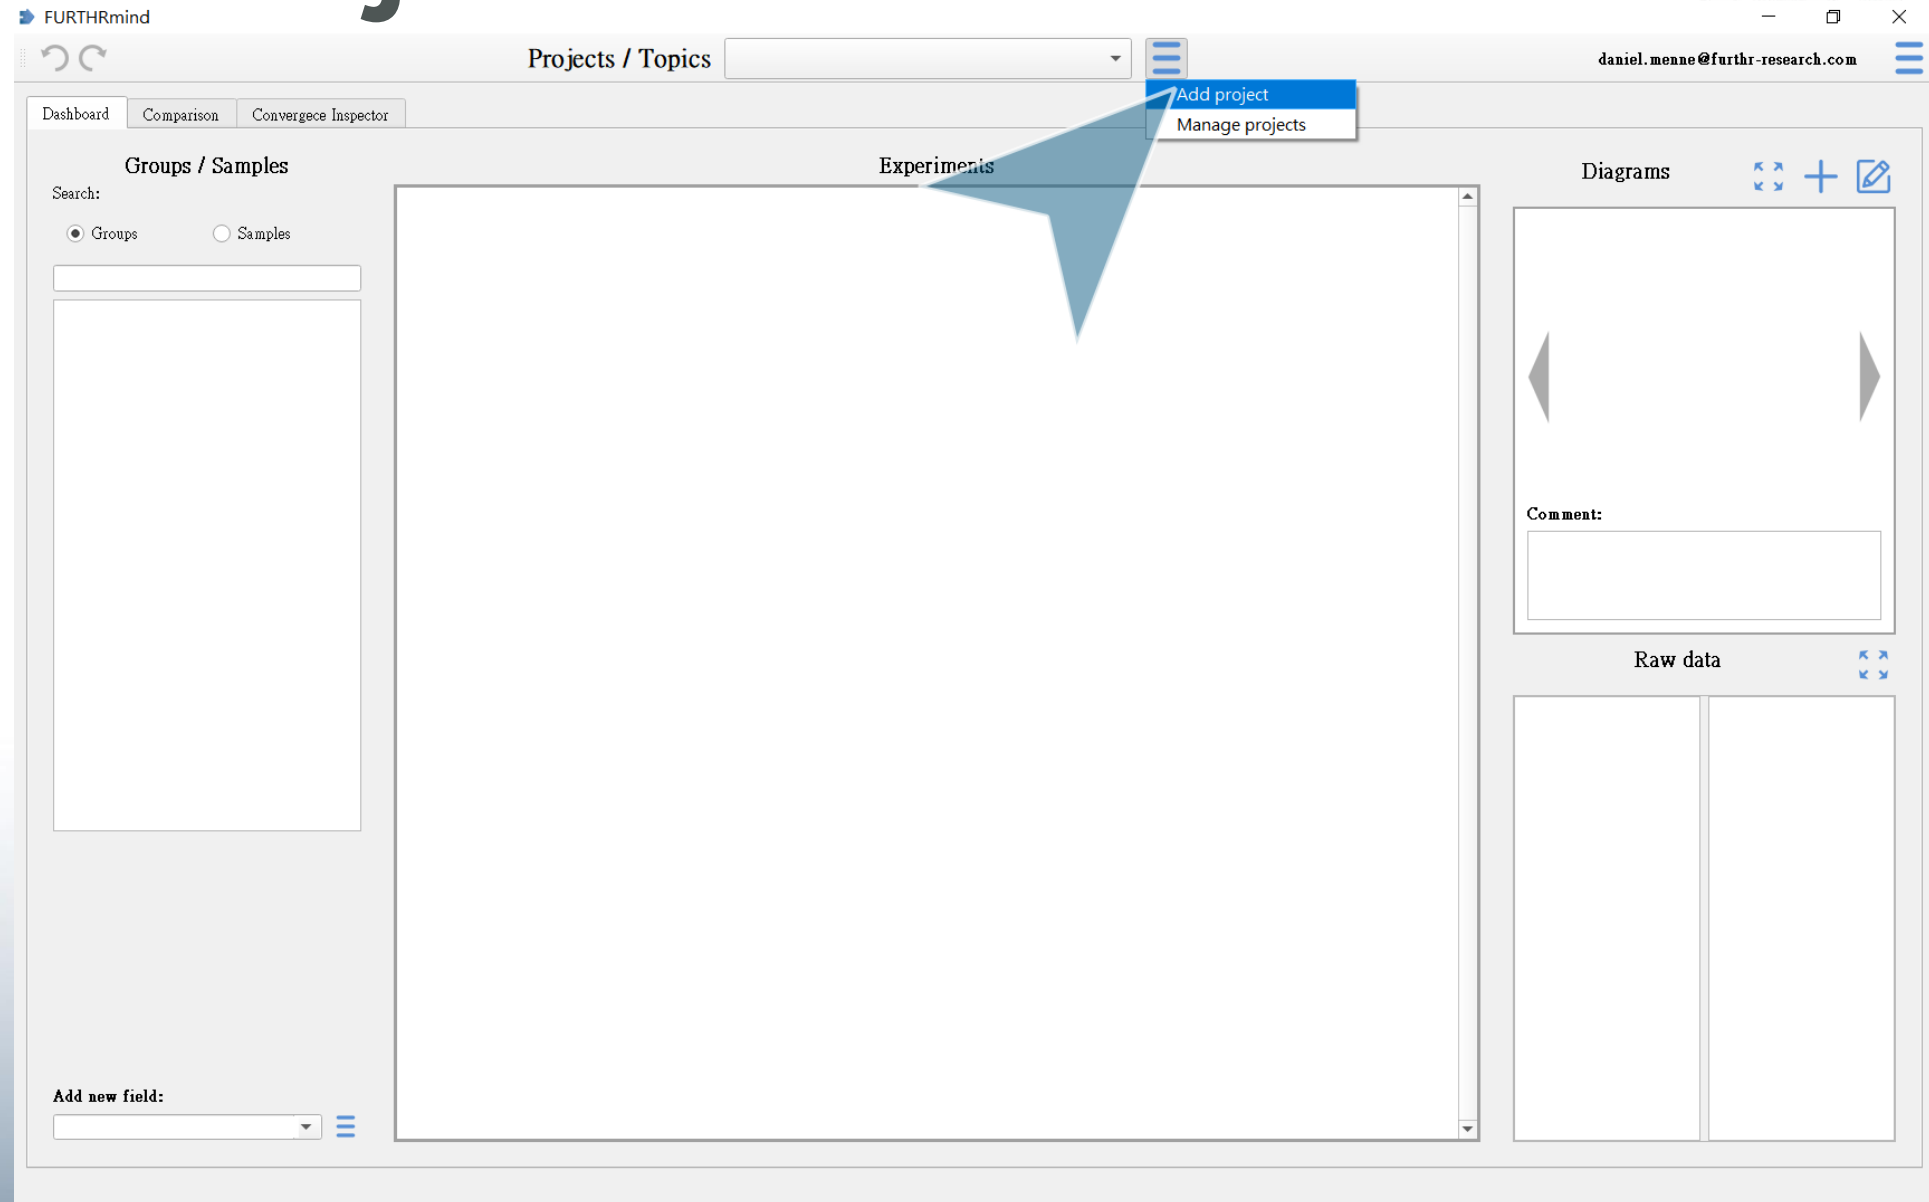

# Create Project

The screenshot displays the FURTHRmind software interface. At the top, the browser address bar shows 'FURTHRmind' and the page title is 'Projects / Topics'. The user's email 'daniel.menne@furthr-research.com' is visible in the top right corner. The interface is divided into several panels: 'Dashboard', 'Comparison', and 'Convergege Inspector' are at the top. The main area is split into three columns: 'Groups / Samples' on the left, 'Experiments' in the center, and 'Diagrams' and 'Raw data' on the right. A blue arrow points to a menu icon (three horizontal lines) in the top right corner of the 'Experiments' panel. The 'Groups / Samples' panel includes a search field and radio buttons for 'Groups' and 'Samples'. The 'Diagrams' panel has a comment field and a 'Raw data' section. The 'Raw data' section is currently empty.

Pull down the menu bar as indicated

# Create Project

The screenshot displays the FURTHRmind software interface. At the top, the title bar shows 'FURTHRmind' and 'Projects / Topics'. A dropdown menu is open, showing two options: 'Add project' (highlighted in blue) and 'Manage projects'. A blue arrow points from the 'Add project' option to the 'Experiments' section of the main workspace. The interface includes several panels: 'Groups / Samples' on the left with a search bar and radio buttons for 'Groups' and 'Samples'; 'Experiments' in the center; 'Diagrams' on the right with a comment field; and 'Raw data' at the bottom right. The user's email 'daniel.menne@furthr-research.com' is visible in the top right corner.

Select "Add project"

# Create Project

The screenshot shows the FURTHRmind software interface. At the top, there is a title bar with 'FURTHRmind' on the left, 'Projects / Topics' in the center, and 'daniel.menne@furthr-research.com' on the right. Below the title bar, there are tabs for 'Dashboard', 'Comparison', and 'Convergege Inspector'. The main area is divided into three panels: 'Groups / Samples' on the left, 'Experiments' in the center, and 'Diagrams' on the right. The 'Groups / Samples' panel has a search field and radio buttons for 'Groups' (selected) and 'Samples'. The 'Experiments' panel is currently empty. The 'Diagrams' panel has a search field and a 'Comment:' label with a text input field. Below the 'Diagrams' panel is a 'Raw data' section with two empty columns. A dialog box titled 'Form - FURTHRmind' is open in the center, with a 'Project name:' label and a text input field containing 'Tutorial'. There are 'Cancel' and 'Ok' buttons at the bottom of the dialog box.

Type the project name and click "Ok"

# Create Project

The screenshot displays the FURTHRmind software interface. At the top left, the logo 'FURTHRmind' is visible. The main header area shows 'Projects / Topics' with a dropdown menu currently set to 'Tutorial', which is highlighted with an orange border. To the right of the header, the user's email 'daniel.menne@furthr-research.com' is displayed. Below the header, there are three tabs: 'Dashboard', 'Comparison', and 'Convergege Inspector'. The main workspace is divided into three vertical panels. The left panel is titled 'Groups / Samples' and contains a search field, radio buttons for 'Groups' (selected) and 'Samples', and a large empty list area. The middle panel is titled 'Experiments' and is currently empty. The right panel is titled 'Diagrams' and contains a large empty area with navigation arrows, a 'Comment:' field, and a 'Raw data' section with two empty columns. At the bottom left of the interface, there is an 'Add new field:' section with a dropdown menu and a hamburger menu icon.

Now you are already in the  
new project
